

WILL COMMENCE ON BUILDING NEXT WEEK

At a meeting of the directors and the building committee of the Fort Pierce Improvement club held Wednesday afternoon in the office of Dittmar & McCarty, the plans of the new club building and town hall were accepted, and bids for the erection will at once be called for. The plans are the same as those published in THE TRIBUNE a few weeks ago. It is expected that work will be commenced next week and rushed to completion before Thanksgiving day. The estimated cost of the building is in the neighborhood of \$22,000.

Trip to the Ocean Beach.

The delightful moonlight nights of the past week have induced many to seek out door sports, some going to the ocean beach to enjoy a stroll or a plunge into the old Atlantic. One of these parties went over Wednesday evening, and was composed of the following: Misses Emma Morgan, Ruth Alderman, Myrtle Kille, Florence Brower, Pearl Stewart, Josie Holmes, Myrtus Chandler and Mrs. Mary McCollum; Messrs. M. M. Hendrix, Fred Fee, Roy Fisher, Theodore Cook, George Sears, Edward Cook, R. D. Holmes and young brother.

Will Winter at Fort Pierce.

Wm. C. VanAntwerp, of New York, has closed a contract with F. M. Tyler, of Fort Pierce, for a lease of the Tyler cottage just north of the Fort Pierce hotel, for the months of January, February and March. The lease also includes Mr. Tyler's launch, and the services of Mr. Tyler as captain. From present prospects it would seem that Fort Pierce will have as many winter visitors as we will be able to accommodate.

Handsome Window Display.

The show window of the Fort Pierce Drug Co., has been an object of much interest and favorable comment during the past few days; the attraction being a display of pictures there by the Florida Photographic Concern. Besides a varied collection of views mounted in the ordinary way, there are a number of large pieces, some of which are in natural colors and are exceptionally artistic.

A New Public Office.

If cattle may not be legally excluded from the streets, and as a result of such fool legislation the small Florida towns must be transformed into stock pastures, THE TRIBUNE suggests that the town council of Fort Pierce create, for the sake of decency, the office of "Public Cattle Tender," whose duties it shall be to follow the herds through the streets with shovel and wheelbarrow.
